**Conference Information:** Several thousand students from more than 100 high schools come to these two conferences. Many students attend with their parents. Our area students are among the most “college bound” students in the country. 65% go on to four-year colleges; 13% go on to two year colleges; 7% go on to other post-secondary schools; 29% go to colleges and schools out of state.

**Registration Information:** Return the enclosed reservation form by September 24 in order to insure a listing in the pre-conference publications and publicity. Your registration will be confirmed. Travel and lodging information will be forwarded as well.

## College Fair Guide

A SCHOOL GUIDE PUBLICATION

### Colleges and Universities Are Reaching Students Virtually

With the COVID-19 pandemic, colleges and universities are reaching students virtually. This is a great opportunity for students to learn more about colleges and universities and to meet with college representatives. The College Fair Guide is a great resource for students to find out more about colleges and universities. It is a free publication that is distributed to all high schools in Westchester and Putnam counties. It is a great resource for students to find out more about colleges and universities.
